I Began to Recover. Then this good housewife goes on to narrate in detail her rapid improvement and final recovery. She said, "After taking two bottles of Paruna I was strong enough to stand up to wash the dishes." When she began taking Peruna she weighed 102 pounds. After she had taken five bottles of Peruna she weighed 122 pounds. She concludes by saying that she is well.

MRS. JULIA DOUGLAS WINNER IN ACTION

Court Holds That Diamond Earrings in Litigation Should Be Surrendered to Her.

dered to Her.

Judge T. D. Lewis decided yesterday that the diamond earrings offered as evidence at the trial of Gladys Whitney, clarged with stealing \$10,000 worth of diamonds from J. D. Diehl, a traveling salesman, belong to Julia Douglas.

Mrs. Douglas sued to recover the diamonds from W. H. Sheetz, court stenographer and custodian of the diamonds as evidence. The diamonds were introduced at the trial as part of the loot alleged to have been stolen by Miss Whitney. The Whitney girl was acquitted, but Mrs. Douglas was arrested and prosecuted on a charge of perjury, it being alleged that she perfured herself when she testified that the earrings were hers. The perjury case was dismissed and Mrs. Douglas sued to recover the diamonds, Judge Lewis's decision further vindicates her from the perjury charge.

The campaign will last eight days. For that period, regular morning and evening services in each church will be held daily.

REDUCES PROFITS OF TELEPHONE COMPANY

SAN FRANCISCO, Cal., Nov. 15.—Reductions on all California long-distance telephone calls were announced here today by the state railroad commission, averaging 21 per cent and aggregating \$525,000 annually.

The commission finds that the Pacific Telephone & Telegraph company's income from long-distance calls averages 14 per cent. Nine per cent, the commission thinks, is sufficient, and it made its reductions accordingly.
